What is Ageing Well?

Ageing Well is something that we feel everybody deserves the opportunity to do in mid to later life.

So, we have put together a collection of services, classes and events to help enrich the lives of over 50s in Bolton.

Many of our activities are based at the **Ageing Well Centre** on Cross Street in Farnworth, but we also have classes based all over Bolton.

Our Ageing Well activities are a great way to meet new people, learn new skills, or build on passions you already have.

Choosing activities

The activities in this booklet are arranged by **location,** to help you find the activity closest to you. To help you choose an activity that's right for you, we have labelled each activity with a category:

Arts and crafts | Music & singing | Physical activity

Easy going | Lunch & supper clubs | Fun and games

Booking activities

01204 701525 Phone lines open Mon - Fri 9am - 4pm

All of our activities are very popular, so booking is essential. Please **call us on 01204 701525** to check availability and book onto all activities.

We will ask you to complete and return an enrolment form before joining a class. There are also some health questions to check you are fit to attend exercise classes.

If the activity is at capacity, you can request to be added the waiting list. We can also signpost you to similar activities elsewhere.
