Age UK Sheffield is a dynamic, local charity and social enterprise, providing information, advice and services to people aged 50 and over in Sheffield. We support older people to lead independent and fulfilled later lives.

Our trading arm, Age UK Sheffield Enterprises, is embarking on an exciting period, developing new income streams to support our work with the most vulnerable older people in our city.

Consequently our trading arm is now looking to recruit a new Non-Executive Director with an accountancy background.

Non-Executive Director of Age UK Sheffield Enterprises Ltd (voluntary)

Have you got the financial and business expertise that can help us to make a success out of our new charity shops and our Heritage Lottery Funded development in Hillsborough Park?

We are looking for someone from a financial background, ideally in accountancy, to support our transformation as a charity that is becoming more dependent on local trading.

Our first charity shop will open in June 2019, and our second is planned for later in the year.

We are currently compiling the business and operational plans for The Old Coach House, the Grade II listed building in Hillsborough Park which we are hoping to develop as a community café and older people's activity centre. We're aiming to submit our Stage 2 bid to the Heritage Lottery Fund later this year and complete the development of our centre in 2020.

If you have the enthusiasm and drive to support us on the business side of these exciting new income generation developments, and others, we would like to hear from you.

For a confidential, informal discussion about these roles, contact Steve Chu, Chief Executive, on (0114) 250 2850 or e-mail via: steve.chu@ageuksheffield.org.uk.

Closing date for applications: Monday 17th June 2019, at 9.00am

Interviews will take place later in June or July 2019.
