**‘We get extra money
and we have peace
of mind again.’**

‘We put off claiming benefits because the forms were too complicated. An Age UK adviser came to our house and helped us fill them in. We now get £56 extra a week and help with housing costs.’

**‘I get extra money
and I don’t have
to worry about my
fuel bills.’**

‘Age UK told me I was paying too much for my gas and electricity and that I could go on a lower rate which was called a social tariff. My fuel bills have been reduced by £80.’
