The average Pension Credit payment is £56 per week – that's almost £3,000 per year.

Pension Credit is that little extra that may help you get money for things, such as rent, council tax or towards the cost of keeping your house warm.

Call Age UK Advice on **0800 169 65 65**, visit your local Age UK/Age Concern or go to **www.ageuk.org.uk/benefitscheck** to put more money in your pocket.

You can have savings or another pension and still get Pension Credit.

In fact, if you're aged 65 or over you might be entitled to extra money for having saved some money towards your retirement.

Call Age UK Advice on **0800 169 65 65**, visit your local Age UK/Age Concern or go to **www.ageuk.org.uk/benefitscheck** to put more money in your pocket.

Homeowners can get Pension Credit too.

Nearly half of families who get Pension Credit own their own home. Don't rule yourself out.

Even if you've been turned down for Pension Credit before, it's worth applying again.

Your personal circumstances may have changed and there's been a change to how entitlement is worked out. The first £10,000 of your savings will now be ignored when working out if you can get Pension Credit.

Call Age UK Advice on **0800 169 65 65**, visit your local Age UK/Age Concern or go to **www.ageuk.org.uk/benefitscheck** to put more money in your pocket.
