

Celebrate & Give

**Birthdays,
Weddings,
Christmas,
Anniversary,
Father's Day, Passed
Your Exams, New Baby,
Christening, Retirement,
Engagement, New Job, Driving
Test, Moved House, Mother's
Day, Civil Partnership
or just because...**

Why not celebrate occasion by supp

£1.7 billion of unwanted gifts at Christmas alone!

Have you received unwanted presents from well meaning family, friends and colleagues? Or, are you stuck for what to buy that person who has everything? The next time you celebrate a special occasion, why not request or make a donation to Age NI instead of buying presents?

The money we receive will be used to improve our services for people in later life here in Northern Ireland. A positive and unique way of celebrating any special occasion.

Planning an event?

If you are planning to hold an event and would like to support Age NI, contact us. We can help you with event planning and provide balloons, collection tins, invites and thank you cards. You can also set up your own Celebrate & Give web page.

te a special porting Age NI?

You can then invite you family and friends to your event and encourage them to visit your personal webpage. Your guests can donate via the web, by phone or by cheque.

Not just events...

You don't have to hold an event to Celebrate & Give for Age NI. You can make a donation or request donations to mark any special occasion. Instead of sending Christmas cards, rather than receiving Easter eggs, an alternative secret Santa gift - the list is endless!

Thank You

We will acknowledge every gift to Age NI via email or personal letter.

If you hold an event or ask for donations in lieu of an occasion, we will let you know how much you have raised. You will also receive Age NI Celebrate & Give thank you cards which you can send out to your family and friends letting them know the difference their donation will make.

About Us

We believe that age needs respect; age needs empathy, sometimes age needs support. Most of all age needs a voice. It has one – Age NI, in partnership with you, our partners, our clients, donors and friends.

A donation in lieu of gifts at any special occasion will support our vital services helping older people gain independence and become full and participating citizens in society.

With your help, we will

- Provide vital care services
- Campaign on older people's issues
- Support older people to access the benefits and services they need
- Ensure older people's groups are passionate and determined advocates of older people's needs in their local communities
- Work with local Government to ensure it has a clear sense of the priorities our ageing society presents

Thank you for considering celebrating a special occasion by requesting or making donations in lieu of gifts for Age NI.
