## Help Hub Van

### What is the Help Hub van?

The Help Hub van is a mobile space that will pop up at events and host sessions across our districts, providing support and advice to our residents. It will be attending community events in convenient and accessible locations, where residents can come along to talk to a member of the Help Hub team. No appointment is necessary, and any support needs can be discussed. These may include, but are not limited to:

money and debt worries

benefits

parenting, relationships and domestic abuse

health and wellbeing

bereavement support

employment

housing or home improvements

### How does it work?

The Help Hub Van will be visiting towns and villages, attending community events and offering support, advice and activities throughout the year. If you need advice or support, you can pop along and speak with a member of our friendly team. No appointments are required.

The van is a confidential space where you can come on board to talk one-on-one with a member of our team. Staff will listen to your needs and provide guidance and signposting if appropriate. With your consent, the team are also able to log your request for support with the Help Hub and a follow-up call can be arranged.

The van is also used by a range of departments across the council and by our partners agencies. Keep an eye out for the van to pop up in a location near you!

If you have any questions, or would like further information about the van, please get in touch using the contact details for the Communities team below.

## Invite the Help Hub team to your event

If you're a community group or service supporting the health and wellbeing of Broadland and South Norfolk residents, the Help Hub Van can attend your venue or event to offer face-to-face Help Hub support free of charge.

Invite the Help Hub team to your event using our online form.

**Veterans Breakfast:** The breakfasts have been a huge success since we launched them in 2024; to the extent that we are usually fully booked a few weeks before the event, which is why it is important to get your request in early! Email [catering@veteransce](mailto:catering@veteransce)

## Sailability

### Accessible Sailing at Snettisham Beach Sailing Club

#### Why sailing?

##### It helps with:

- Muscle strength and endurance,
- Cardiovascular fitness,
- Mental wellness,
- Lowers stress levels,
- Increases agility,
- Improves concentration,
- Improves communication skills and spatial awareness.

We have the facilities to accommodate a wide range of disabilities, and welcome individuals who would like to learn to sail and also those who would simply like to spend time on the water.

All our volunteers are DBS checked and have undergone appropriate training for their roles.

The sessions will run between April and October on Friday afternoons between 13.00 and 17.00hrs, weather permitting, and need to be booked in advance.

Wheelchair access is possible to the floating pontoon and we have a hoist installed to transfer individuals to our boats.

All specialist equipment required will be provided. Clients should not get wet when on the water (rain excepted) and should be dressed appropriately for the weather.

Charges are £12 per hour for an individual booking and £90 for a 2 hour group booking for 6 - 10 people.

Currently we have 2 Hansa 303 dinghies and 2 Wayfarer dinghies available. We hope to add to our Hansa fleet in the near future.

Booking can be made by visiting our website

Hi Ladies

The Horning and District Ladies Lunch Club,

Is a great way to meet new people, and, we also enjoy a delicious 2 course meal, followed by tea or coffee.

There is also different guest speaker every month.

As the names suggests, it is a daytime gathering, so, the added bonus, is that you will be home before it starts getting dark.

We meet at the Old Rectory Hotel in Crostwick, on the 4th Tuesday of every month.

For more information, please contact Tricia Elson on, 07931 301606, or email her at, [ladieslunchclub@btinternet.com](mailto:ladieslunchclub@btinternet.com)

We look forward to welcoming you.

## Lions Message in a Wallet

Link to website-[Message in a Wallet - LIONS DISTRICT 105CE](#)

All Lions clubs have been associated with the Message in a Bottle scheme which was launched several years ago, however a relatively new project to supplement the Bottle scheme is now available via the Message In A Wallet. The Wallet scheme which has a similar form as in the bottles to contain an individual's Medical, Allergy details and contact details in an emergency etc. which is then contained in a plastic sleeve (credit card size) and placed in a Wallet, Purse or Handbag. The advantage of this scheme being if you are away from home and are in need of urgent medical treatment your details are readily available with you.

The Wallets have been recognised by the Emergency Services as another Lions project that assists them when an individual is in need of urgent medical treatment by notifying them of medication already prescribed and any allergies.

The Wallets have been readily accepted by all sections of the community including younger people who believe the wallets offer a service to everyone.
