

**STAY HOME > PROTECT THE NHS > SAVE LIVES**

**Is Age UK Stockport (AUKS) open?** YES we are here for you, although now working from our homes. We are dealing with many calls, so if you can't get through please leave your name and number and we will get back to you. Also if you know of someone locally who needs some extra support during this time please let them know about us.

We are aiming to get back to people within 24 hours, even if the call is just a quick one to say we have heard you and we will be back further. Contact us by telephone on **0161 480 1211** or by email [info@ageukstockport.org.uk](mailto:info@ageukstockport.org.uk)

**Are AUKS offices open and events and activities on?** No. Government guidance on social distancing means we have closed our offices and cancelled our regular groups, trips, events and meetings for now. However we will be keeping in touch with you, and the Information & Advice Team are also still working on **0161 477 1213**.

**Is AUKS visiting?** For everyone's protection we are no longer able to make our usual home visits, but we will not be leaving people without contact and support. We can still get essential deliveries to your door and we will be providing advice and support over the telephone.

**More Info?** For further information you can contact the Age UK national helpline on **0800 678 1602**, 8am-7pm, 365 days a year, visit their website <https://www.ageuk.org.uk/information-advice/health-wellbeing/conditions-illnesses/coronavirus/> or download the Coronavirus leaflet in our News section.
