Welcome to the Summer edition of our newsletter

It's an exciting time at Age UK Sheffield as we're working on some great new projects that we believe will add real value to our charitable work in the city.

You already know about The Old Coach House project in Hillsborough Park. We've spent much of this spring working on our business and activity plans. I'm pleased to say that these plans will ensure discounts at the café and in room hire for Friends of Age UK Sheffield members.

You will also see that we're soon to open our first charity shop, at the top of Twentywell Lane in Bradway. We're hopeful this will be a new source of income which we can use to fund our charitable services to older people in Sheffield.

Finally, we're in the early stages of planning a brand new awards event, which aims to celebrate all that is great about ageing well in Sheffield. Full details will be in our next magazine. But please start putting your thinking caps on to be ready to nominate people, businesses and communities which positively promote older people over the next few months.

Shopping for success

Age UK Sheffield's first shop* will be open soon, in Twentywell Lane, Bradway.

If you're looking for a bargain or a place to volunteer, make sure you check out our new retail outlet in Bradway.

It's all part of our long-term strategy of bringing in additional sources of income to help fund our vital work to support older people in Sheffield.

The Bradway shop will sell a traditional range of fashion, entertainment and bric-a-brac in a high quality setting, befitting the quality of services we provide in the city.

It will also literally be a "shop front" into our services, with opportunities for visitors to find out about our free information and advice, as well as our non profit-making paid-for service.

Volunteering

Whether you're looking for a few hours a week talking to customers on the till, or if you'd like to help us sort stock behind-the-scenes, your voluntary input could be vital to the success of our shop. All charity shops are dependent on volunteers so please contact us on (0114) 250 2850 or enquiries@ageuksheffield.org.uk if you can help.

Supporting people in Sheffield

All our information and advice services are completely free but we need to raise income to fund the team delivering these services. Every penny generated from our charity shop will directly support the provision of these charitable services.

Remember, 24,000 people aged 65 or over are living in poverty in Sheffield.

Supporting local traders

We're planning to offer space in our shop to local skilled tradespeople, enabling them to sell their goods. So if you'd like to support local businesses which make hand-crafted items such as jewellery and ornaments, look out for our special promotions.

More information

We'll tell the world about our shop and what's new in stock via our social media channels:

 @AgeUKBradway

 Age UK Shop Bradway

 @AgeUKBradway

*Note that the Age UK shops on Ecclesall Road, Crookes and Norfolk Row are the national charity's shops, and are nothing to do with Age UK Sheffield.

Unfortunately we cannot make collections; please could you bring your donations to the shop.

Donate your quality goods

Can you give us your donations to sell in our new Bradway shop? Whether they're unwanted gifts, that dress you only wore once, or your loved and cared-for nick-nacks, please bring them to us to recycle for someone else's use. We can even claim gift aid on your donation if you are a UK tax payer!

Please bring us:

-  **Men's and women's clothing**
-  **Shoes, bags and other accessories**
-  **Children's clothing, toys and books**
-  **Bric-a-brac**
-  **CDs, DVDs and vinyl**
-  **Books**

Sorry, we cannot take:

-  **Furniture**
-  **Electrical items with plugs**
-  **Broken or damaged items**
-  **Videos**
-  **Duvets, pillows or sleeping**
-  **Earrings for pierced ears**

What makes Sheffield Age Friendly?

We're on the lookout for people and organisations that are making Sheffield a great place in which to age. Can you help us find them?

When Birmingham hit the national headlines for their talking bench last year, Sheffielders scratched their heads and wondered why. The Midlands city was being held up as a model of ageing well due to their talking bench but people from these parts pointed out a similar seat had been in the Winter Garden in 2017.

It set us wondering about what we have in our city that makes Sheffield a great place in which to grow older, and how we should celebrate them. Over the past few months, older people have been telling us that Supertram really helps to provide accessible transport into the city centre; and it is well known that one-third

of Sheffield lies in the Peak District, and there are plenty of other open spaces in the city.

Now we're looking to uncover some less well-known contributors to developing an age friendly city – namely the people and organisations based here. And we're looking to you to help us find them.

Age Friendly Communities

We'd like to know what it is about your community

which makes it a great place for older people to live. Is it the library which provides a focal point for activity? A community centre which allows older people to use a public toilet when they need to? Or your friendly local shopkeeper who goes out of his or her way to make it easier for someone with limited mobility to do their shopping?

Age Friendly Businesses

Which businesses in our city really go the extra mile to provide a great customer experience for older people? Which have accessible premises, with space for mobility scooters? Which have the most helpful staff? And, if they display a “dementia friendly” sticker, are they really dementia friendly all the time?

Alternatively, an Age Friendly Business could be one that is a good employer of older people. They may have flexible working arrangements, reduced hours, or support for caring needs, to enable older people to carry on working into old age.

Age Friendly Champions

Do you know an older person who is still making a massive contribution to their community? Is one of your neighbours the lifeblood of the area, using their knowledge and warm heart to make things better for other local people?

Or do you know a younger person who gives their time and commitment to making your area a better place in which to grow old?

We want to hear about all these personal stories which demonstrate the human touch in making Sheffield a great city in which to grow older.

Tell us now

If you can tell us a story about an age friendly champion, business or community, we'd love to hear from you.

Just send us a few details by e-mailing **enquiries@ageuksheffield.org.uk**, with the subject line "Age Friendly".

Or write to us at First Floor, South Yorkshire Fire & Rescue, 197 Eyre Street, Sheffield, S1 3FG.

Make sure you include your name and contact details so we can get back to you to find out more.

Over the summer, we'll also be looking for older people to help us to judge what we should be looking for in this Age Friendly work. So let us know if you're interested in helping out with this too!

VOLUNTEER PROFILE

Wesly Jay

Wesly Jay is running the 2019 Virgin London Marathon on Sunday 28 April to raise money for Age UK Sheffield. Here, we find out a little bit more about him.

Wesly, please tell us a little bit about yourself and what you do for a living.

I am the Group Operations Director for a very successful boutique property investment company.

Why did you decide to run the London Marathon for Age UK Sheffield?

I was fortunate enough to be introduced to the charity by the Sheffield Chamber of Commerce, and with the opportunity to run being available,

I could not ignore nor pass on this!

Have you done anything like this before?

I have competed in a half marathon and many 10 mile runs, Tough Mudder and more, for various charities, but never anything quite like this!

How is your training going?

Great, although my recovery time seems to take me longer than I expected! Each run is (no pun intended here) one step closer to the all-important finish line!

Have you set yourself any targets for a time you want to run?

I have, and for the most part this is due to family

Wesly Jay (R)

members and friends that have all competed and have ran in previous London Marathons. My target is sub 4 hours. Just by writing the time, I now feel the pressure to deliver! Jokes aside, I will be happy to finish and be able to contribute to Age UK Sheffield, regardless of actual run time.

What are you looking forward to the most about running the London Marathon?

The early morning rise, the journey to the start line, the buzz of the crowd and fellow competitors, that moment the laces get checked one final time along with a final stretch...

and then “go go go”, equally, making it across the finish line and delivering to Age UK Sheffield.

How is your fundraising going? Have you set yourself a target to raise?

It has just begun, and a minimum target of £2,000.

How can Age UK Sheffield members donate to help your fundraising?

They are most welcome to go to <https://uk.virginmoneygiving.com/WesleyJay> - any and all donations will be greatly appreciated.

Holly Garforth

#MarathonWithMagid

Our link with Wesley came courtesy of the excellent support we receive from Virgin Money Lounge, who secured places in this year's London Marathon to support local charities in Sheffield.

Wesley is running for us, whilst others are running for Special Olympics Sheffield, Create A Dream Foundation, and Lord Mayor of Sheffield Magid Magid is supporting three local charities.

Holly Garforth, from the Virgin Money Lounge, said: “Each year we're lucky enough to award a handful of marathon places to very deserving local causes within Sheffield. We've worked with Age UK Sheffield on various events and fundraisers since we opened our Virgin Money Sheffield Lounge, so we're delighted to have Wesley running for them this year.”

NEWS IN BRIEF

Your views about us

We will soon be taking part in a national survey to find out what older people think about their local Age UK. If you're interested in taking part (and you only have to tick 21 boxes!) then call us on (0114) 250 2850 or e-mail: enquiries@ageuksheffield.org.uk.

Coach House consultation

You will know all about our Old Coach House project in Hillsborough Park. Throughout April, we will be holding a public consultation to inform our planning application. To give us your views, call or e-mail us, or visit: www.ageuk.org.uk/sheffield and fill in the online survey. There will also be public drop-in events at Hillsborough Trinity Methodist Church (Wed 24 April, 5.00-7.00pm) and Hillsborough Park Bowling Pavilion (Sat 27 April, 9.30-11.00am).

Age, Sex and You

A new public health website has been launched by University of Sheffield academics as part of their work on sexual rights for older people. The research, led by Dr Sharron Hinchliff, has been highlighted in The Guardian and other national publications. The website offers general information about sexual issues with ageing, and can be found by visiting: www.agesexandyou.com/

Documentary festival

The Sheffield Doc Fest is back soon and, as always, there are great opportunities for documentary buffs to volunteer to support the event. There are a wide range of opportunities, such as supporting judging panels or stewarding at cinema events. The festival takes place at a variety of venues in the city from 6-11 June.

If you're interested, the full range of opportunities can be found by visiting: <https://sheffdocfest.com/view/volunteer>

Marathon support

Sheffield is to get a full-blown marathon again for one year only - with all proceeds going to Age UK Sheffield's Hillsborough Park project. The 26.2 mile run, which started and finished in Hillsborough and ran for several years in the 1980s and 1990s, will be staged again on June 8th, starting at 10am. It's the brainchild of Steel City Striders' runner Laura Fletcher. It won't be an official race, but competitors will get a tee-shirt and post-run buffet. If 26.2 miles seems too much, there will be a chance to run a shorter distance. More details but will be released soon.

Our plans to develop The Old Coach House in Hillsborough Park

Age UK Sheffield has been successful in a Stage 1 bid to the Heritage Lottery Fund, to redevelop The Old Coach House to become an older people's centre and community café.

We are intending to submit a planning application to Sheffield City Council in May 2019 and are now seeking people's views to inform this planning application.

We are also carrying out a survey to inform the development of our café proposals.
Please give us your feedback by Friday 26 April by:
