

We Are Stockport

Friday 17th May 2024

Viaduct Park

Gather from 4:30 pm

Take pictures at 6 pm

The RESPECT Network is inviting the people and organisations of Stockport to join us in showcasing Stockport's unity, diversity and collective sense of community.

We will be gathering at Viaduct Park and taking group pictures of those attending to show that Stockport desires to be a united home that welcomes and celebrates diversity in all its forms.

We encourage people and organisations to bring along their banners and signs and placards with messages which highlight and or celebrate Stockport and its diversity.

We will be providing some light refreshments for attendees from 4:30 pm and then taking the collective pictures around 6 pm.
