

## Step one downloading and installing Zoom Cloud meetings:

On your device, whether that is a phone or a tablet, go to the following:

<u>IPhone or IPad</u> – App store (you will find this on your phone on the main screen as an app) it will look like this:

Click on App store and type zoom into the search box – click on the top option for zoom cloud meetings and click install. The app will now install on your main screen on your phone. Click on the icon on your main screen and follow the instructions- enter your chosen password and that's it you've installed zoom.

Samsung's or any other Android phone- Play Store (you will find this on the main screen)

Click on Playstore and type zoom into the search box – click on the top option for zoom cloud meetings and click install. The app will now install on your main screen on your phone. Click on the icon on your main screen and follow the instructions- enter your chosen password and that's it you've installed zoom.

## Laptop or PC

Type in Zoom into an internet search however you normally would
