

Online Dementia Activities in Sheffield

If you are living with (or supporting someone living with) memory loss in Sheffield, there is support for you in your local community during the Coronavirus pandemic.

You'll receive a warm virtual welcome from your local community Dementia worker listed on www.sheffielddirectory.org.uk/dementia and page 11 of this leaflet.

- Dementia information
- Regular telephone contact and a friendly listening ear
- Dementia-friendly activity pack deliveries for you to enjoy at home
- Online Memory Cafés and virtual Dementia-friendly groups:
 - Activities (entertainment, quizzes, chairbics, reminiscence etc)
 - Opportunity to chat and share with others in a similar situation
 - All groups are listed by day-of-the-week in this leaflet
 - Most are via 'Zoom' online - we can help you connect if you need it
- Dementia carer support groups online (contact your local community dementia organisation for details, using the link above or on page 11)

www.sheffielddirectory.org.uk/dementia

- Dementia community support organisations and contact details
- Advice, tips and help to keep safe and well during the pandemic – both practically and emotionally
- Dementia-friendly activities and resources to try at home including crafts, physical exercises, music, culture, nature and more

The Dementia community support organisations and local online groups listed day-by-day in this leaflet receive funding from Sheffield City Council's 'People Keeping Well in their Community' dementia programme.

If you've never been to an online Memory Café before, don't worry!

Most people haven't!
But we can help you.
Just contact us and ask.

"Lots of people you'd never think would do it [join an online Café] have done it! They feel so proud of themselves that they can join in. It's worth it for the look on their faces that they can 'meet' with others".

A dementia worker said:

Comments from people living with Dementia and their carers who attend Sheffield's online Dementia groups

"It's a right laugh every week"

"I've got to know people better; it has been one of the best things [about lockdown] for me"

"I get all my Dementia information from the Dementia Cafés, that's all I need - speaking to other people"

"We saw people in the same boat and we could communicate amongst ourselves to find out the best ways of doing things"

"I feel sorry for the people who are left out because they don't want to join the online dementia groups"

"In lockdown I'd have gone into a mental asylum if it hadn't have been for this Zoom [online] programme – without this I'd only have had communication with my daughter and no-one else"

Comments from people living with Dementia and their carers who receive support from their local community dementia worker

"When this Coronavirus happened you've been absolutely wonderful and kept us all in contact and I'm sure we wouldn't have coped like we do without you"

"It's a lifeline for us, especially through this Covid. Don't know where we'd have been if it hadn't been for this"

"You're the only people, other than the other family carers, who are even bothered about us. Friends don't ring, but if I don't turn up on an online Memory Café day you ring and find out what's up with me. I can't thank you all enough, and the volunteers"
