

# Age UK Stockport Virtual Annual General Meeting

Because of the challenges of the Coronavirus pandemic we decided back in the summer to hold our AGM virtually this year to be sure to keep everyone safe. As it turned out it was a good decision as on the planned date of Tuesday 17th November we found ourselves in the middle of the second national lockdown!

Thanks you to those that attended, and we were very pleased to see a good number of people there. We were pleased and relieved that it went really well—as virtual AGM's are new to us all!

However, we really did miss seeing you all and the enjoyment of sharing our usual time with you over a good chat and a hearty lunch. The best we can do this year is share the meeting video, including videos – see the link here

The AGM looked at the reporting year April 2019 to March 2020 but also the fantastic work done by our staff over the pandemic months since March 2020.

**Please SEE the page below for more on this.**

We ended the AGM with the well known song from the VE Day celebrations - 'We'll meet again' . As shown here in a message from the usual Editor of the Newsheet Denise Almond.

We all look forward to meeting properly again and in the meantime take care and stay safe.

We want to take this opportunity to give heartfelt THANKS to ALL the staff and volunteers who have been so committed, flexible and hard working and done brilliantly throughout this difficult time. We are enormously proud of the part Age UK Stockport has been able to play, along with other colleagues from all sectors, in responding to the many challenges of Covid 19.
