

March has seen the continuing success of the vaccination programme and the Governments Covid-19 Response Spring plan; a Roadmap out of the current lockdown that starts with the return of schools on the 8th March. You can see the full document here: [COVID-19 Response - Spring 2021 - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/roadmaps/covid-19-response-spring-2021) and there are also highlight links on our website.

Age UK Stockport will be following the Road Map and recovering and returning services at the rate permitted. We don't intend to just seek a return to the pre Covid normal—we plan to take all the many things we have learnt from the last 12 months to see how we can do things better than ever. We won't be changing the awareness of safe procedures—that will stay with us.

As we go through this road map we will be here at each of the different stages as before. Contact us on **0161 480 1211** or by email [info@ageukstockport.org.uk](mailto:info@ageukstockport.org.uk) We are dealing with many calls, so if you can't get through leave your name and number and we will get back to you. Also if you know of someone locally who needs some extra support during this time please let them know how to contact us.
