

## Homeshare opportunity in Northwood—HA6

### Would you like to share the pleasant home an elderly person living in Northwood?

A tastefully decorated 2-bedroom house with a garden and free street parking in a quiet area of Northwood.

Living with Crohn's our Householder is looking for a discrete female sharer who can offer the security of someone staying in the property overnight. The Householder does not drive anymore so a Sharer who owns a car for the occasional trip to appointments would be preferable.

Our Householder has led an interesting life, travelled widely and co-founded the National Association for Crohn's and Colitis. (Now called Crohn's and Colitis UK). Interested in world events and politics our Householder would welcome someone who enjoys debate and discussion.

Sharing the property are two very sweet and well-behaved Yorkshire Terriers so a Sharer who loves dogs is a must.

### Summary of support needed in this Homeshare arrangement

#### Time together

- Providing a reassuring overnight presence.
- Evenings/Weekends.
- Occasional trips out.

#### Help in the house/garden

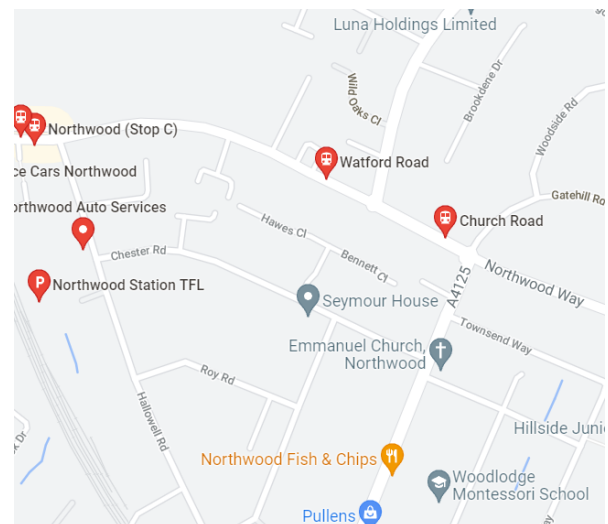

- Support with IT.
- Odd jobs.
- Possibly accompanying Householder on short dog walks.

#### Location

A 2-bedroom house in a quiet cul-de-sac. Conveniently situated within 0.3 miles of Northwood Metropolitan station and shops. Bus stops nearby with routes to Harrow, Ealing and Watford.

#### Accommodation

The property is well maintained throughout. A double room is offered with a double bed settee and some furniture. A newly furnished wet room and separate toilet will be shared with the Householder.
