One Walk Three “Old Halls”

Monday 21st July 2025

We rambled through Shotwick on one of our earlier walks this year. Today we visit the tiny village again but from very different footpaths. Also on this walk we will see three halls, showing what life was like many years ago. The walk will take in the village of Puddington with its attractive old buildings and it's Community Library in a telephone box!

We begin at The Yacht (now a Pesto Restaurant) on the A540 by Two Mills.

We will make a picnic stop along the way and call in at The Yacht at the finish for some light refreshments
