Dear Age UK Barnet client,

Our staff and volunteers are glad that they are able to support you during this Covid-19 crisis and we are committed to keeping older people in our borough as safe and well as we can.

We have adapted all our services and activities so that we can assist in new areas such as shopping, prescription collection, meal delivery and telephone befriending and we have moved some of our activities online so older people can still take part in cooking classes, craft sessions and our much loved music afternoons. To find out more about these, please visit our website www.ageukbarnet.org.uk or call us on 0208 203 5040.

Some clients have offered gifts to our lovely volunteers to say thank you. This is very thoughtful but we want you to understand that this can make our volunteers uncomfortable as we have instructed them as part of their training not to accept anything. Instead of rewarding your volunteer individually, we ask that you consider instead making a donation to support the work of Age UK Barnet, to ensure our services can be there for older people in the weeks and months ahead.

There's NO obligation at all to do so but if you would like to support us in this way, the details are below.

How to make a donation:

- You can send a cheque, made payable to Age UK Barnet to us at the address at the bottom.
- You can place cash or a cheque in an envelope for your volunteer to drop in to us and they will give you a receipt.
- You can make a bank transfer or set up a regular standing order – our details are:

Name	Account Number	Sort Code
Age UK Barnet	00010755	40-52-40

If you are a UK taxpayer we can reclaim Gift Aid on your donation to us. So please remember to give us your full name and address.

Leaving a Legacy

A gift to Age UK Barnet in your will can help us support and reassure older people that they are secure and will always have someone to turn to. Please contact us on 0208 432 1417 if you'd like more information about how to do this.

Whatever the value of your gift it will help us to provide essential services to older people who need us.

Best wishes from all the team at Age UK Barnet.
