

Information and Advice Service

Age UK Barnsley offers a free, confidential and impartial Information and Advice service about issues which concern older people.

Our Information and Advice service is delivered by a dedicated team of volunteers who have a wealth of experience. They are trained and supported by a staff member.

We will provide you with relevant information for your situation, provide you with options and advice, support you in making telephone calls, form filling and signpost you to other relevant organisations.

We can help with:

- **General Advice**
- **Benefits for State Pension Age**
- **Health and Social Care**
- **Housing options**
- **.....and much more**

You can contact us the following ways:
