

Ageing Well Community Fund – tell us about your idea

Do you have a small idea that could make life better for older people in your community? You can apply for between £250 and £1,000 to help test or develop your idea. This short form is simply the first step. You do not need to use formal funding language, and we are interested in your idea, not how confidently it is written.

Expressions of interest close on Monday 16th November 2026.

1. What is your name?

2. Are you telling us about an idea as:

- ☐ An individual with a community idea
- ☐ An informal or new group
- ☐ An existing community group or organisation
- ☐ not sure

3. What is the name of your group or organisation, if you have one?

4. What is the best way to contact you? Please add in email, phone number or address.

5. Where in Bath and North East Somerset would the activity take place? You can give us a community, village, town or postcode.

Your Idea

6. What would you like to do? Just tell us in your own words. A few sentences are enough.

7. Who is the idea for, and how could it help older people?

8. How do you know older people would want or need this?

9. How much are you applying for? You can apply for between £250 and £1,000. A rough amount is fine at this stage.

10. Is there anything else you would like us to know, or anything you might need help with?

☐ I am aged 18 or over and that the idea would benefit older people in North East Somerset.
