All About Age UK Bolton

Who We Are

Age UK Bolton is an independent local charity and was born in 1947, thanks to the efforts and vision of a small group of local volunteers in Bolton.

We are one of the area's most significant, dynamic and highly regarded charities, and the leading voluntary sector organisation, working with and on behalf of Bolton's over 50 population.

We are also proud to be a brand partner of the influential national Age UK Charity, as well as Age International. We work hard with all communities of older people - those who are active and independent and those who are frailer and more dependent - to meet their changing needs and aspirations.

A voluntary Board of Trustees, made up of representatives of our local statutory, community and business partnerships, works closely with senior staff members, to ensure the effective financial and strategic management of the Charity.

Many of our existing services, and those currently being developed, are the product of existing or emerging partnerships with a wide range of organisations. These take various forms but all are highly prized.
