

RUN A KNIT-A-THON

FOR AGE UK BRISTOL

Decide on a venue, book a space if you need to. This could be your usual craft spot, community centre, cafe or pub.

Decide on the time and date, this could be part of your normal schedule of events or a standalone activity.

Check our Fundraising Guide for Keeping Events Safe and Legal to make sure your event is within our guidelines.

Let everyone know! Post about your Knit-a-thon on social media page, add posters to local community boards and tell all your friends about your event! Let us know about your knit-a-thon and we can help you with ideas, materials and sharing information on our pages.

Enjoy your event and have fun! Let us know how it went and send in your hats!
