

2019 Funding – Celebrating Age Festival

Invitation to Tender – Above and Beyond

1. Context

The Celebrating Age Festival offers something for everyone to enjoy! Not only does it bring the community together, it also allows organisations to work together and come up with new ways to help older people maintain their independence and quality of life.

This year the Celebration Age Festival will take place throughout the whole month of October and include a variety of sessions for older people (50+).

2. Description

On top of regular sessions ongoing in October, we want to encourage organisations to go 'Above and Beyond' their usual offerings to make this month even more special. For instance, a lunch club may extend their usual session and book an entertainer.

Funding is not to cover costs for something that is being delivered already, but to offer an additional element which puts older people in the centre and is free for them to attend.
