

AGE BETTER BUCKS

For connection, independence
and support

Referral guidance for professionals

OUR SERVICE

Our team of Community Support Connectors deliver short-term, flexible interventions to help improve clients':

- Health & wellbeing
- Independence at home
- Social connection & reduce isolation

We offer clients an in-home holistic assessment, focused on identifying strengths, resources, and goals. Working with clients to co-produce a support plan, we connect clients to local services, assets and appropriate support.

ELIGIBLE:

- Buckinghamshire residents aged over 65
- 50+ with reduced life expectancy or early care needs (frailty, early onset conditions)

NOT ELIGIBLE:

- Clients receiving a package of care from Bucks Adult Social Care
- Residents in care homes or supported living (independent/sheltered housing can access)
- Clients who have already accessed Age Better Bucks in the current calendar year

Our service supports those experiencing any of the following:

- **Loss of social support**
- **Emotional/wellbeing difficulties**
- **Significant life events**
- **Social withdrawal**
- **Changes in presentation**
- **Digital exclusion**

Our focus is preventive support. Please note that we are not a crisis or healthcare service.
