What to expect at our appointments

- Our Dementia Coordinators will meet with you and provide a 1 hour one to one appointment.
- During the appointment we listen to you and provide you with information and advice about what support is available to you according to your needs and make appropriate referrals.
- If extra time is needed with our Dementia Coordinators we will book a Home Visit with you or arrange an appropriate time for a Telephone Consultation.
- Please be aware,, we cannot guarantee an appointment on the same day, please contact us prior to attending where we can advise available appointments on the day. If we are unable to provide you with the appointment on the day we will arrange an appropriate alternative.
