- We supported people to claim grants and benefits to the value of £2.2m, enabling people to experience a better quality of life

The basics

- We are **not** the same charity as Age UK! We are an **independent** brand partner of the national charity we **must raise all our own funds** to deliver our services to support local older people
- We help older people to remain living well, safely, and independently in their own home.
- We do this by offering a variety of services:
Information and Advice, Practical Support, Social Opportunities
