Visiting Support Service

Operating in East Cambridgeshire, Fenland and Huntingdonshire, we offer **free** extra support for over 65's when you need it most; particularly when you are experiencing a difficult period, such as a bereavement, ill health, financial worries or housing concerns.

We will work with you to access services and support networks.

We will listen to your thoughts and wishes and together we will plan the desired outcomes.

Our team will determine if the matters can be discussed over the telephone or if a home visit is more appropriate. You can also see our staff and volunteers in various venues at our Community Hubs.

Support offered:

- Assistance with forms and applications including welfare benefits, blue badges and grants etc
- Help with paperwork and liaising with third parties, organising bills and payments etc
- Assistance with housing choices, including care homes
- Adapting to changing needs, such as considering falls prevention equipment and aids
- Information about and/or referral to social groups and leisure activities
