

Slip into Slippers Day

Slip into Slippers day is on 4th of October and it's not just about wearing slippers, but to recognise the value of older people in our community. Whether you're at work, school, club wearing slippers and donating just £1 will help to support our services in supporting over 38,000 local older people.

The 4th of October has been specifically chosen to recognise 2 other events which also celebrate older people:

- United Nations International Day of Older Persons (UNIDOP) held on 1st October each year. #UNIDOP recognise the achievements and contributions older people make to our communities #valueolderpeople.
<https://www.un.org/en/events/olderpersonsday/index.shtml>
- Grandparents Day held on 6th of October, when Grandchildren and Grandparents can celebrate the day by spending time taking pictures and doing activities together.

So put your most comfortable slippers on and join us!

How to organise your Slip into Slippers Event:
