

Volunteer for Age UK as a Day Centre Volunteer and make a difference.

Age UK Cambridgeshire and Peterborough has three local Fenland Social Centres located in Chatteris, March and two Centres in Wisbech. The Centres are managed by experienced and enthusiastic staff supported by volunteers who make a real difference to the lives of the members that attend.

Age UK Cambridgeshire and Peterborough is seeking volunteers to help to meet the needs of people in later life, in a happy & stimulating Day Centre environment & to help to make their experience an enjoyable and a memorable one. Volunteers are particularly needed at the Oasis Centre in Wisbech on a Wednesday, Thursday and Friday and at the Boyden Court Centre on a Friday.

We believe that age needs respect, it needs kindness and sometimes it needs help and by becoming a volunteer you can help to make this happen.

If you are interested in this rewarding experience then please contact the Volunteer Organiser Mrs Dee Potter on 01354 691898 or email dee.potter@ageukcap.org.uk who will be pleased to discuss the opportunity and the application process with you..
