
Community Warden Services

Supporting wellbeing and independence

Our objectives are to help older people to maintain their independence and health and wellbeing, by providing services that meet individual needs.

“I take great comfort
knowing someone will
contact me each day
to have a chat”

Community Warden Services

The service assists older people to continue to live independently at home by providing daily contact (Monday to Friday) and support, either by a personal visit or telephone call, to ensure a sense of security and wellbeing.

What can we help with?

- Listening to individuals concerns and linking them to helpful information and guidance
- Advice on other local community services
- Small items of shopping
- Collecting prescriptions
- Reading post
- Making phone calls on their behalf, if requested
- Ensuring their safety and wellbeing

Funding

The service is funded by various local agreements.

Free Trial

Participants will be entitled to a two week free trial, however after the trial period, we charge a small fee for our service which is payable to the warden.

A warden will provide individuals with daily contact giving them peace of mind and support for independent living, this can be ongoing or short term support depending upon what they need.

It is important to note that the warden is not a domestic, home help or a carer providing physical care.

Available locations

We are developing new services. Currently we offer services in:

- Cambridge City
- Ely
- Girton
- Histon & Impington
- Linton
- Littleport
- Ramsey
- Stapleford
