

Hospital Discharge & Admission Avoidance Support Service

Description: Community based, person-centred, wrap-around holistic service to support safe hospital discharges home, or home assessment after early discharge, or to help prevent a hospital admission/readmission.

Who & Where: 60yrs plus living in Cambridgeshire or Peterborough with an identified need.

What: We can provide...

- furniture and bed moves
- key safe fitting prior/upon discharge
- grab rail fitting
- support to settle home on day of discharge
- essential food shops
- essential medical needs/prescription collections
- urgent welfare visits or welfare telephone calls
- support to navigate to longer term services needed (health, social care, Age UK CAP services or other voluntary/community organisations)
- An information pack
