# Good Neighbours Scheme

Bringing company and conversation to  
older people in Primrose Hill and NW3

## **What is Good Neighbours Scheme?**

Our Good Neighbours Scheme offers befriending and companionship face-to-face for older people who are feeling lonely or would just like a bit of extra company.

An older person is matched with a volunteer who will visit their home on a weekly basis for around one hour.

### **Who can access the service?**

The service is for older people aged 65+ who live in NW3 and Primrose Hill.

Priority is given to those who are isolated, housebound, or living with disabilities.

**If you or someone you know could benefit from  
Good Neighbours Scheme then please contact us on

## Who are our volunteers?

The service has a diverse team of volunteers who vary in age, gender and background. Clients are matched with volunteers based on personality and shared interests

Volunteers take part for a variety of reasons such as: an interest in listening and learning first-hand from the vast experiences of older people who have lived colourful lives or a desire to put something back into the community.

Volunteers are chosen, trained and supported in their role by the Age UK Camden team. All staff and volunteers are subject to a DBS Check. Please know our volunteers are unable to assist with shopping, personal care, odd jobs, DIY and appointment escorting.
