### **Change in service**

Clients and local partners will be notified as soon as practicable if there are any changes to this service, including our opening hours, whether short or long term.

### **What will happen if we can't provide the service you require?**

Sometimes people come to us or we identify problems that we do not have the expertise or knowledge to help with. For example, we are unable to provide debt, financial or immigration advice. In these cases, we can provide you with basic information and direct you to another Organisation for further help. Where possible we will give you a selection of Organisations to choose from and we will either signpost or refer you to them.

### **How our service treats its clients**

We follow five key principles when delivering our service.

#### **The service is provided free of charge**

You won't be charged for any of our Information and Advice. If we signpost or refer you onto another Organisation, we will tell you if there is any charge for their service. While we provide help free of charge, running the Information and Advice Service is expensive and only some of the money to do this comes from external funding. Any donation you can make will always be greatly appreciated.

#### **The information and advice we provide is independent of any outside influence**

We will never recommend a service or provider to you, including Age UK's own services. Where possible we will always provide you with a choice of alternatives and help you make an informed decision. We're not bound by local or national government policies. We will never advise someone to do anything illegal or fraudulent. We will immediately stop advising anyone carrying out illegal or fraudulent actions and may notify the appropriate authorities.

#### **All information is confidential**

Any information we keep about you is stored securely and only viewed by Employees and Volunteers involved in advising you or other people that you have allowed us to share this information with. These may be external auditors that check the quality and accuracy of our work, Organisations we are referring your case on to, and any agencies we are dealing with on your behalf (such as the Department for Work and Pensions (DWP) or an energy supplier). We won't share your information or discuss your case with anyone outside of our service without your direct consent unless they have been given responsibility to act on your behalf and evidence of this will be required. You have the right to view any data we hold on you and also to withdraw your consent at any point by contacting 01228 536673.

We may share information about someone without their consent if:

- they insist on taking an illegal or fraudulent course of action

May 2023

- we are contacted by a statutory body about a Client who is being investigated for suspected illegal or fraudulent activity
- we are concerned that someone involved in a case is at risk of abuse or harm or there is a possibility of abuse or harm to others. In this case we may notify a relevant statutory body, for example social services or the police. These disclosures will be undertaken following Age UK Carlisle and Eden's Safeguarding and Confidentiality Policies (copies available by request from 01228 536673).

Any data we hold about you is processed in accordance with Data Protection Legislation and Age UK Carlisle and Eden's GDPR Data Protection Policy. A copy of our Policy and Privacy notice can be requested by calling 01228 536673.

### **Clients are treated with fairness, dignity and respect and we expect clients to treat our staff and volunteers in the same way**

We won't judge anyone based on their age, disability, gender, marriage or civil partnership, race, religion and belief, sex or sexual orientation. We won't judge anyone based upon the circumstances they find themselves in and we won't try to influence the decisions you make following our advice. Sometimes Clients will make a decision that we don't think is in their best interest. We will tell them if this happens and aim to provide enough information and advice to help them make an informed choice. We will respect whatever decision they then make. The Information and Advice Service operates in compliance with Age UK Carlisle and Eden's Equality and Diversity Policy. A copy of the policy is available by request from 01228 536673.

### **Our service is as accessible as possible for older people**

Our office is suitable for people with disabilities and has step free accessible interview facilities, disabled toilets, and hearing loops available on request.

Where Clients have difficulties accessing or understanding our information and advice, for example because of a disability or language issue, we will take all reasonable steps to provide our service in a manner that is accessible and appropriate to their needs or circumstances, and we will always aim to give you as much time as you need when we see you.
