

Here to help

We are a local independent charity whose aim is to improve later life for people in our community, some of whom may be isolated or vulnerable. We achieve this by providing tailored services to meet the needs of older people. This leaflet provides an overview of how we can help, how you can get in touch and where you can find out more about our work.

Below is a summary of our services for local older people. Further details of the services available are set out overleaf

Our key services

Information & Advice

This free service provides support to older people, their carers and families on a wide range of later life issues. We can advise on benefits and money, social care, housing options, and local services and support.

Keep in Touch telephone befriending

We link older people who may not get the opportunity for a regular friendly chat with one of our telephone volunteers. You'll receive a weekly telephone call at a time that suits you, to chat about anything you like!

Help at Home

Our home helps deal with a wide range of household tasks, maintaining your independence and keeping you living at home for longer. You choose the tasks we do. There is a charge for this service.

Support for people living with dementia

Our Dementia Day Club (charge applies) operates in Macclesfield every Monday to Wednesday. Our virtual New Horizons Club circulates activity packs for carers and offers online Zoom sessions for those cared for.

Scams Awareness & Aftercare

We help prevent older people falling victim to a wide range of scams and doorstep crime. As well as our monthly bulletins about current scams, we work with older victims of scammers, to help them get back on their feet.

We also have a number of other services, such as counselling, as well as hosting ad-hoc events. Get in touch or go online to find out more.

Would you like to help local older people by volunteering?

If so, why not get in touch? We have several roles with flexible time commitment required. We'd love to hear from you!
