

FURNITURE SHOWROOM - ACCEPTING DONATED GOODS

We welcome the donation of quality furniture for sale in our furniture showroom. All proceeds from the sales of furniture go towards our charity's services supporting local older people.

Our customers rightly demand quality goods when they shop with us, and therefore we cannot accept any goods that are not in a saleable condition. We offer free collection for goods on the basis that we are able to sell them to raise money for the charity. If we are forced to send any items for disposal, we are charged to do so.

For ease of reference, the following applies

We cannot accept any donations which have the following:

- Tears
- Stains or badly marked
- No Fire labels (if upholstery)
- Parts missing
- Broken

Our furniture showroom van cannot pick up the following:

- Large desks
- Clothes
- Bric-a-brac
- Large dark display cabinets

Please Note: We are not insured to remove doors, railings or other furniture when picking up your donation.
