

Every year, many older people fall victim to a wide range of scams and doorstep crime. This project aims to prevent that happening. Would you like to be more scam aware? We offer a range of services to help you spot, avoid and report scams and if you have been unfortunate enough to be a victim, we can help you get back on your feet.

We publish a monthly email bulletin reporting on the latest scams. Why not sign up to our bulletin? If you are a group of older people who meet together, you may be interested in having a scams awareness session. Or, if you have fallen victim to a scam and would like support, the Scams Awareness & Aftercare Team may be able to help. To access our service, contact the Project Manager Sally Wilson at [sally.wilson@ageukce.org](mailto:sally.wilson@ageukce.org), on 01625 612958 or 07932 999902.
