

Veterans Keep in Touch

Veterans Keep in Touch is our new befriending service, linking older people who may not get the opportunity for a regular friendly chat, with one of our telephone volunteers. Thanks to funding from *The Armed Forces Covenant Fund Trust*, we are working with older veterans to support them at this time.

You'll receive a weekly call, at a time that suits you, giving you the chance to chat and form new friendships over the phone.

You do not need a formal referral to access this service. Just give us a call on 01625 612958 or email us at enquiries@ageukce.org to find out more about the service and to book a call from one of our volunteers.

We may not be able to pair you up with a volunteer immediately, but we will try our hardest to set you up as quickly as we can. Before you know it, you'll be chatting away with a new friend about anything that takes your fancy!

**THE ARMED FORCES
COVENANT FUND TRUST**

Thanks to the support of the Armed Forces Covenant Fund Trust we are able to offer this bespoke service for Armed Services veterans
