Q2 | July to Sept 23

Demand for community transport services has remained high this quarter, with more individuals accessing our services from rural locations.

Our range of support is diverse and varied, we have helped people reach: Carer, Dementia, and Veteran Support Groups; Wellbeing, Cancer Support, MS Society South West Group and Mental Health Services; Community Hubs for wrap-around activities and connection; Lawn Bowls; Beach Cleans; and social trips.

The picture above is from The Golden Years Club in Penzance, enjoying a lovely day out.
