Q2 | April to July 23

We have had a productive few months.

Demand for our fleet has increased, and people are seeking more door-to-door and accessible transport across Cornwall.

We have coordinated bookings for a wide range of reasons: helping people visit the Beach; Dementia Support Groups; Animal Therapy; Happy Voices; Community Hubs; and even mini golf & bowls - all helping to improve wellbeing and reduce social isolation. The picture above is from a gorgeous day trip to enjoy Cream tea at Enys Gardens
