The Royal Cornwall Show

What is the Royal Cornwall Show?

Since 1793, The Royal Cornwall Show has been the main showcase event for Cornwall. For three days each year, the dedicated showground at Wadebridge opens its gates to over 130,000 people, and gives attendees a fascinating look into agriculture and rural life in Cornwall.

Over three days the Showground is turned into a living breathing town, bustling with amazing attractions, energy and trade. It really has something for everyone to enjoy!

Practical Considerations

Please remember that all guests must be able to cope with the terrain of the showground, the coach transport, and the anticipated volume of people, as well as the potentially very warm weather.

We also have a team of wonderful volunteers on hand to help you with anything you may need. Be sure to look out for our smiling faces, we will be in the brightly coloured T-Shirts!

"Your support today has been outstanding. My friend came to the tent and couldn't walk, but thanks to your amazing Volunteers she felt part of the group and really enjoyed the day"
