Hospital and Home Services

We are active in your community and able to offer assistance in Hospital and when you get Home. Our teams support people and their families. Our aim is to provide you with choice, control, and independence.

What we can offer includes:

- Pre-discharge visits.
- Home environmental checks.
- Assistance with equipment collections.
- Personalised assessments - 4 to 6 weeks post-discharge.
- Signposting to community activities.
- Falls prevention & wellness support.
- Support for caregivers and families.
- Help accessing funding and benefits.
- Companionship services.
- Warm meals (where applicable).
- Gardening and Home support solutions.
- Hospital aftercare services.
- Community transport services.
- Access to a network of Community Hubs.
