The Royal Cornwall Show

What is the Royal Cornwall Show?

Since 1793, The Royal Cornwall Show has been the main showcase event for Cornwall. For three days each year, the dedicated showground at Wadebridge opens its gates to over 130,000 people, and gives attendees a fascinating look into agriculture and rural life in Cornwall.

Over three days the Showground is turned into a living breathing town, bustling with amazing attractions, energy and trade. It really has something for everyone to enjoy!

Join Us

Every year Age UK Cornwall and The Isles of Scilly host a large marquee at the Royal Cornwall Showground and **arrange transport, food, refreshments and a whole lot of fun** for a specific region of Cornwall.

This year is no exception, and the time has come for us to invite anyone, over the age of 65 and living in **mid-Cornwall** to join us on our annual trip to the Royal Cornwall Showground on **Saturday 8th June**.

Thanks to the support from the Royal Cornwall Agricultural Association, we are able to provide **transport, entry to the showground and a lovely steak pasty lunch for only £11 per person**. We will also provide a marquee throughout the day for any of our party to rest their legs and enjoy conversation and a refreshing beverage or two.

If you are interested in taking part in this offer, and live in mid-Cornwall, we want to hear from you. Don't hesitate to book with us **NOW** on **01872 266388** or **reception@ageukcornwall.org.uk**

Practical Considerations

Please remember that all guests must be able to cope with the terrain of the showground, the coach transport, and the anticipated volume of people, as well as the potentially very warm weather.

We also have a team of wonderful volunteers on hand to help you with anything you may need. Be sure to look out for our smiling faces, we will be in the Age UK Cornwall brightly coloured T-Shirts!

"Your support today has been outstanding. My friend came to the tent and couldn't walk, but thanks to your amazing Volunteers she felt part of the group and really enjoyed the day"
