

Age UK Cornwall & Isles of Scilly

The Cornwall Link

Become a Link or Digital Champion

What is the Cornwall Link?

The Cornwall Link is an online portal where you can find information on a wide range of services, community groups and organisations in Cornwall and the Isles of Scilly. Our aim is to provide individuals, families, carers, volunteers and healthcare professionals with access to services and community based activities that will reduce social isolation and improve health and wellbeing.

This platform has been designed in collaboration with Age UK Cornwall staff, volunteers, our clients, GP's and our supporting partners.

The Cornwall Link complements our successful telephone Helpline service, incorporating knowledge learnt from all our projects. Just think, individuals in Cornwall & The Isles of Scilly now have a 24/7 directory that can connect them intelligently to a wide menu of activities, groups & services.

Volunteers wanted for 2 new roles!

We are now recruiting for **Digital Link Champions**, a role which would suit an individual who is **passionate about connecting people in their local community** and would like to learn new computer skills.

This role **provides support to the Cornwall**

Link platform by editing & maintaining listings, which can all be done in the **comfort of your own home** or at any of our locations across Cornwall.

Alternatively, if computers aren't your thing, we are also recruiting for **Volunteer Link Champions**. The aim of this role is to develop a local community that is close to your heart, by **communicating, networking & collating** all the social clubs, activities and groups that support individuals in that area. This information is then handed over to one of our **Digital Champions or Editors to create the listings**.

Volunteers will be **provided with training and guidance** to suit their own skills, and can give as little or as much time to Cornwall Link as they like.

Putting it simply, a Volunteer Digital/Link Champion is an **advocate for a local area**, helping to signpost, promote and create awareness of local groups that can **benefit everyone in the community**.

Don't forget, Age UK Cornwall & The IoS has a number of other Volunteer roles that might be just the right fit for you, so contact us to find out more.
