# About Us

**We're a local charity working in the community of Coventry and Warwickshire to support older people, their families and carers.**

---

The role of Age UK in Coventry and Warwickshire is to offer information, advice, activities and services. We aim to enable older people to live fuller lives, help them stay safe, make informed choices and to remain independent and connected. We want everyone to be able to love later life.

We are a local charity- focused exclusively on the five districts of Warwickshire and the city of Coventry- and we are an independent charity - our “Brand Partner” agreement with Age UK national means that although we are part of the same brand, we are a separately registered charity.
