

CARERS' SUPPORT

A carer is someone who, unpaid, looks after and supports a friend, neighbour or relative who could not manage on their own.

We provide:

Home visits and regular phone calls to give emotional support and assist as the caring situation changes.

Information on the support services available and financial entitlements.

Supporting carers for two years or more after bereavement.

Carers' Support Groups meet regularly in Hemel Hempstead and Tring. They provide information, activities, fun and a chance to meet other carers.

We are here to help.

Please contact Jo on 01442 221008
