

Age Friendly Chesterfield Engagement Questionnaire

Chesterfield Health & Wellbeing Partnership are looking at ways in which they can make Chesterfield more Age Friendly. We have looked at some projects that have been successful in other areas which promote healthy and active ageing and enable people to keep doing the things that matter to them as they get older.

We would value your opinion to check:

- Which of the three ideas below would be most important to develop in Chesterfield
- What services you currently consider to be Age Friendly in Chesterfield
- If you have further ideas that we could look to develop in the future

We would appreciate a few minutes of your time to complete the following questionnaire. The information will be treated as confidential and will not be shared with third parties.

Chesterfield Health & Wellbeing Partnership are looking at ways in which they can make Chesterfield more Age Friendly. We have looked at some projects that have been successful in other areas which promote healthy and active ageing and enable people to keep doing the things that matter to them as they get older.

We would value your opinion to check:

- Which of the three ideas below would be most important to develop in Chesterfield**
- What services you currently consider to be Age Friendly in Chesterfield**
- If you have further ideas that we could look to develop in the future**

We would appreciate a few minutes of your time to complete the following questionnaire. The information will be treated as confidential and will not be shared with third parties.

Take A Seat

Take A Seat would help reduce loneliness and isolation, and motivate older people to feel confident about leaving their homes and take an active part in their communities. Businesses would be encouraged to offer a seat to older people so they can rest, and would be provided with a sticker for their window and a sticker for their seat.
