

**Thank you Trent Lock Golf &
Country Club for choosing us
as your charity of the year!**

We're an independent, local charity supporting older people, their families and carers.

Our services rely on your donations, here's a bit about what we do:

Many services are countywide, such as our Information and Signposting service, our Attendance Allowance support and our Information Roadshow.

Footcare – Tootsies toenail trimming and hard skin removal clinics at different locations around the county.

Staying active - Live Stronger for Longer, the falls prevention service for Derbyshire. Our service supports older people at risk of falls or seeking to improve and maintain their strength and balance.

Around the county, we also have 11 shops; day centres; and our Chaddesden Park Centre hosts a lunch club and social activities.
