

Enabling & Home Support Decluttering Package

Are you thinking of downsizing? Or moving into residential accommodation, perhaps? Have things at home just got a little bit out of control?

Age UK Devon can help to tidy and organise your home.

What's included?

We can help to sort through your belongings, discussing what you want to keep.

For the items you no longer need or use, we can make telephone calls, on your behalf, to auctioneers, house clearance companies, removal firms, recycling centres etc. We can take small agreed items to local charity shops.

If required we can also complete a thorough clean of our room/s after decluttering.

Length of package

This package provides eight hours over two weeks (with a minimum of two hours per session). Extra time can be added if required.

Assessment

This package is subject to a chargeable assessment which remains valid for 12 months. Should you or your family member decide to take advantage of another package, or become a regular Enabling & Home Support client within that time, there will be no further assessment charge.

Charges

Please contact us to discuss your requirements, so we can build a plan to meet your needs. You will be sent an invoice for your agreed package which must be paid prior to the work commencing.
