

Enabling & Home Support Holiday Package

Are you the main support for an older family member? Do they need support while you are away on holiday?

Age UK Devon can offer you peace of mind so you can enjoy your holiday knowing that your loved one is being looked after.

What's included?

We can assist with tasks in the home e.g. general cleaning, laundry, ironing and simple meal preparation. We can provide companionship, dog walking, or do the shopping. Our trained staff can also escort your family member to regular clubs and appointments, for shopping or other social activities.

Length of package

Our standard package is one week, however two or three weeks are available at a discounted rate. Packages can be delivered over three, four or five days per week (a minimum of two hours per day). Packages are delivered Monday to Friday between 8.30am and 4.30pm.

Assessment

This package is subject to a chargeable assessment which remains valid for 12 months. Should you or your family member decide to take advantage of another package, or become a regular Enabling & Home Support client within that time, there will be no further assessment charge.

Charges

Please contact us to discuss your requirements, so we can build a plan to meet your family member's needs whilst you are away. We will send you an invoice for your agreed package to be paid prior to your holiday commencing.
