

# Foot Care Service

Operating in East Devon, Exeter, Tavistock and Tiverton

---

## For the treatment of your feet in your own home.

Looking after your own feet can become increasingly difficult as we get older. You might struggle to trim your nails due to either poor sight or inability to reach your feet. This may lead to overgrown thickened nails, discomfort and stop you from being active on your feet.

We work in partnership with four Foot Care Practitioners to deliver a foot care service in East Devon, Exeter, Tavistock and Tiverton.

Our foot care specialists will visit you in your own home and will assist with:

- Nail cutting
- Hard skin removal
- Cracked or dry heels treatment
- Treatment of Corns
- Thickened nails treatment
- Application of moisturising foot cream
- Referral to other specialists if required

---

## Our Foot Care Practitioners

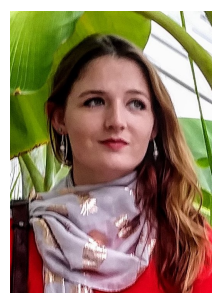

Claire Burden  
Foot Care Practitioner  
East Devon

Sabrina Lilley  
Foot Care Practitioner  
Exeter

Janet Harvey  
Foot Care Practitioner  
Tavistock

Charlotte Hickman  
Foot Care Practitioner  
Tiverton

Our Foot Care Practitioners all have a diploma in foot health, which means they are qualified to work in the private sector to undertake routine clinical work necessary to maintain the health of feet. They have all undergone an enhanced DBS (Disclosure and Barring Service) check and are fully insured to carry out this work.

### Charges

A home visit is charged at £34.00. The charge for two people at the same time is £62.

### Booking and Payments

Please call us on 0333 241 2340 and we will take your details and payment for your first appointment.

Your local Foot Care Practitioner will then telephone you direct to book your appointment. Further visits are scheduled direct with your Foot Care Practitioner, usually at six weekly intervals.

We are notified of your future appointments and will telephone you ahead of each visit to take your payment.

## Your Feedback

We hope that your experience of Age UK Devon is a positive one.

We welcome and value feedback from people who use our services, so if you have any comments, compliments or suggestions about our organisation please let us know. Your feedback will help us understand what is working well, to consider potential opportunities for change and improvements.

If something goes wrong or causes you concern we would like to hear from you so we can improve and prevent similar incidents from reoccurring.

Your comments, compliments or complaints can be made in writing, by email or telephone (details below).
