## JULY & AUGUST IN REVIEW:

Both the 'Young Friends Together' and 'Friends Together' groups at Silver Link have continued to make brilliant progress with their outdoor spaces. These two small spaces are slowly being transformed into accessible, dementia friendly, colourful and calming gardens!

On Friday 14<sup>th</sup> August Royal Voluntary Service held a Party in the Park for members of their various Dementia Support groups. Around 50 members and carers attended, and enjoyed picnics as well as an afternoon of Move it or Lose it sessions, a sing song, a music quiz, a sports day and a raffle! The weather was perfect and everyone had a wonderful afternoon! This event was organised in partnership with Cusworth Hall who kindly offered the area for free, and were fully supportive of the event!

Our Keep in Mind / Club Doncaster Foundation Walk and Talk sessions continue to run every Tuesday at the Eco-Power Stadium, and every Wednesday at Askern Lake. These dementia-friendly sessions offer a chance to socialise, exercise and have some fun! For further information contact the Keep in Mind Service on 01302 812813.

On Friday the 21<sup>st</sup> August the Dementia Garden was opened at Cantley Community Centre. This was sponsored by the Doncaster Dementia Fundraisers, and is a lovely addition to the site where Alzheimer's Society hold two of their monthly Dementia Music Cafe's.

The seaside was brought to Silver Link for seaside day 2026! Everyone had a lovely chat about their favourite summer memories, there were a range of seaside styled games and activities, and of course a chippy lunch!

# UPCOMING EVENTS: September

## Doncaster Rovers vs Plymouth Argyle

Saturday 5<sup>th</sup> September 2026

**This match will take part during World Alzheimers Month, and to celebrate Doncaster Rovers will be promoting their Remembering Rovers project and one of their partners the Keep in Mind Service.**

### Remembering Rovers:

Remembering Rovers is a heartfelt project which creates a safe, welcoming and dementia-inclusive matchday experience at Doncaster Rovers home games. Supporters living with dementia are able to enjoy the match from an area designed to promote comfort, orientation and wellbeing. Remembering Rovers is all about cherishing memories, community spirit, and making sure the joy of matchday remains open to all.

### Keep in Mind:

The Keep in Mind service, lead by Age UK Doncaster, offers social support to people living with dementia and their carers in Doncaster. The service offers access to a range of activities, groups and sessions delivered by a range of organisations: Club Doncaster Foundation, Alzheimer's Society, Crossroads Care, darts, and Royal Voluntary Service. The service also offers an allocated Dementia Pathway Coordinator to each client, keeping in touch and making any referrals needed whether internal or external to the service.

More information on the Remembering Rovers project, including the referral form for a space at a match!

# GET INVOLVED IN CURRENT RESEARCH:

## Would you like to take part in a research project and share your thoughts and experiences?

Joanna Malone at the University of York is looking to chat to people in Doncaster as part of a research project by the end of October 2026. She is interested in understanding what 'living well' and 'flourishing' looks like in later life. She is also interested in understanding what 'dying well' means for people too. If you are aged 65 and over, identify as non-religious (or are not traditionally religious e.g. spiritual) and you think you'd be interested in taking part, please contact Joanna. Taking part is completely voluntary.

Joanna is happy to answer any questions and give you more details about the project.

You can also look at her website for more information.

**Are you 65+ and identify as non-religious?**

**I'm Interested in hearing your experiences!**

If you think you would be interested in taking part in a research project to talk about your experiences, please get in touch with Dr Joanna Malone (University of York) for more details.

**Scan the QR code to get more information or call Joanna on 01904 325698 or email at [Joanna.Malone@york.ac.uk](mailto:Joanna.Malone@york.ac.uk)**

## Ageing Well Network!

Are you over 50 and want to shape how we age well in Doncaster?

We'd like your help to create an Ageing Well Network – a group where adults aged 50+ can come together, share their ideas and talk about the issues that matter most to them.

The network will give older adults a voice. It will be a place to listen, learn from each other and work with local organisations and decision makers to make real changes.

By working side by side, we can create something meaningful, impactful and long lasting. A place where older adults feel heard, respected and valued.

The next few Ageing Well Network meetings will be held at Danum Library, on the following dates:

Tuesday 18th August, Wednesday 23rd September, Tuesday 27th October, Wednesday 25th November and Wednesday 9th December.

To find out more, visit [Ageing Well Network - YourLifeDoncaster](#)

If possible, please email: [Nikki.greenfield@doncaster.gov.uk](mailto:Nikki.greenfield@doncaster.gov.uk) if you would like to attend.

Together we are help & hope  
for everyone living with dementia
