CARERS RIGHTS DAY

Here are some photos from our Carers Rights Day events. Our Young Carers created beautiful placement cards in recognition of the day, and our adult carers took part in an information session, gathering valuable resources from a range of stall holders. They also enjoyed a relaxing massage as part of the event.

A carer's assessment is a free evaluation offered by local authorities to anyone who provides unpaid care for a friend or family member. It looks at how caring affects the carer's life and wellbeing and what support they might need-such as help with respite, finances or emotional support.
